The NAVEED-E-SAHAR

Principal Message

A heartwarming evening to our esteemed teachers and my spirited students. Today alongside you all, my vibrant group, welcome you all for tomorrow enlightening morning assembly.

A time to express gratitude and seek blessings from the almighty, the architect of our universe for the start of our new session, the new academy journey.

As we start this new school year, I want to remind everyone of the importance of education, educationist and students in the journey ahead. Education is not only about acquiring knowledge and skills, but it also prepares us for life. The lessons you learn in the classroom will serve you well in the future, whether you go on to higher education or enter the workforce, and your teachers are your guide boards here, who will put in all the efforts for you to succeed in this journey.

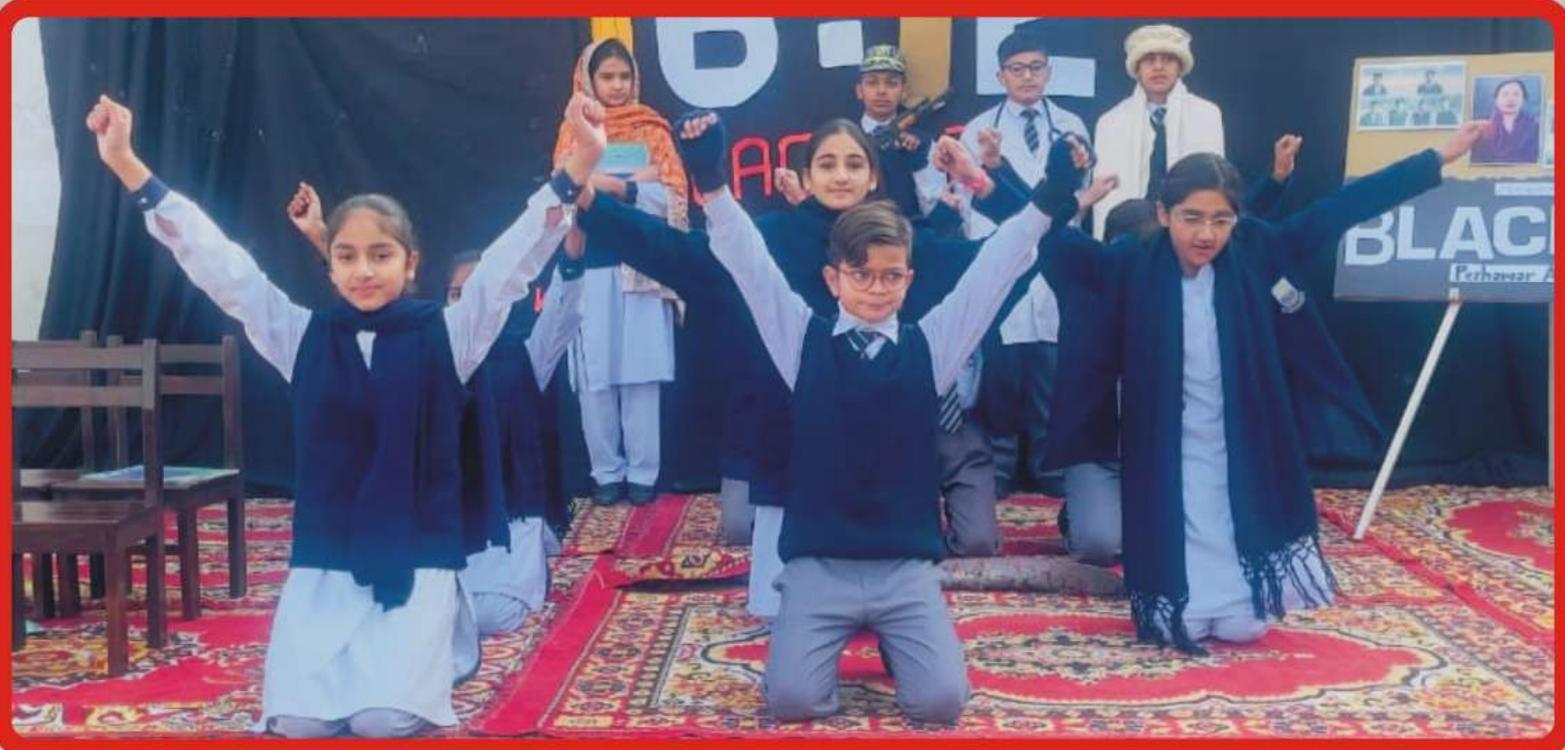

As you begin this new academic session, I encourage you to approach your studies with a growth mindset. This means that you believe that your abilities can be developed through hard work. Remember that each failure that you might face ahead, is not the end, but rather an opportunity to learn and grow.

One of my top priorities as your principal is to ensure that our students receive a high-quality education. This means providing them with engaging and challenging learning experiences, as well as the support they need to succeed. To achieve this, we will be working closely with our faculty and staff to implement effective teaching strategies and support programs.

In conclusion, I am excited to welcome all of you to the new academic session and look forward to working with you to achieve your full potential.

حدیث نبوی صلی اللہ علیہ والہ وسلم

(انتخاب: مس عائشہ رشید)

حضرت ابو ہریرہ رضی اللہ عنہ فرماتے ہیں۔ رسول اللہ صلی اللہ علیہ والہ وسلم نے فرمایا:

”ہفتہ کے دن اللہ تعالیٰ نے مٹی پیدا کی۔ اتوار کے دن پہاڑ بنائے، سوموار کے دن درخت اُگائے، منگل کے دن آزمائش اور تکلیف کی چیزیں پیدا ہوئیں، بدھ کے دن روشنی، جمعرات کے دن جانور پیدا کیے اور جمعہ کے دن عصر کے بعد انسان (حضرت آدم) کو پیدا فرمایا۔ جمعہ کی سب سے آخری گھڑی میں اللہ تعالیٰ نے پوری کائنات پہلے بنائی پھر انسان کو آخر میں لایا تاکہ انسان سمجھے یہ سب کچھ اس کے لیے ہے اور وہ خود اللہ کے لیے۔“

سماجی اور تکنیکی ترقی میں اخلاقیات کی ضرورت

(مس شازیہ قمر)

حقیقی ترقی صرف جدید مشینوں، تیز رفتار ٹیکنالوجی یا معاشی ترقی کا نام نہیں، بلکہ وہ ترقی ہے جو انسان کی عزت، حقوق اور فلاح و بہبود کو یقینی بنائے۔ اگر ٹیکنالوجی اور سماجی تبدیلیاں اخلاقی اصولوں کے بغیر فروغ پائیں تو وہ بے روزگاری، عدم مساوات، اور انسانی رشتوں میں کمزوری جیسے مسائل کو جنم دے سکتی ہیں۔ اس لیے ضروری ہے کہ ہر نئی ایجاد اور سماجی فیصلہ انسانیت کو مرکز میں رکھ کر کیا جائے۔ جب اخلاقیات کو ترقی کی بنیاد بنایا جائے تو ایک ایسا معاشرہ تشکیل پاتا ہے جو نہ صرف جدید اور ترقی یافتہ ہو بلکہ انصاف، ہمدردی اور باہمی احترام پر بھی قائم ہو۔

اسکول کی یادیں

(مس ہماناز)

اسکول کی یادیں زندگی کے حسین لمحات میں شامل ہوتی ہیں۔ روزانہ وقت سے پرسکول جانا، وہ صبح کی اسمبلی، اساتذہ کی نصیحتیں، دوستوں کے ساتھ ہنسی مذاق، کلاس روم کی شرارتیں، امتحانات کا دباؤ، ہوم ورک کی فکر، نتیجہ آنے کی گھبراہٹ، بریک میں مل کر کھانا، کامیابی کی خوشی زندگی کی خوبصورت جھلکیاں ہیں۔ یہ سب یادیں آج بھی میرے دل میں زندہ ہیں۔ ان باتوں کو یاد کر کے آج بھی دل خوشی اور مسکراہٹ سے بھر جاتا ہے۔ واقعی اسکول کی یادیں کبھی پرانی نہیں ہوتیں۔

☆☆☆

کتابوں کا کردار

(زینب عثمان جماعت ششم)

کتابیں ہمارے علم کا خزانہ ہیں۔ یہ ہمیں نئی نئی باتیں سکھاتی ہیں اور ہمارے خیالات کو وسیع کرتی ہیں۔ کتابوں کے بغیر انسان کی سوچ ادھوری رہ جاتی ہے۔ ہم کتابوں سے نہ صرف تعلیمی معلومات حاصل کرتے ہیں بلکہ زندگی کے اچھے اصول بھی سیکھتے ہیں۔ کتابیں ہمیں اچھے اور برے میں فرق کرنا سکھاتی ہیں۔ آج کے دور میں، جہاں کمپیوٹر اور موبائل کی بہت زیادہ اہمیت ہے، کتابوں کا اپنا ایک الگ مقام ہے جو کبھی ختم نہیں ہوتا۔ ہمیں چاہیے کہ ہم کتابوں کو اپنا دوست بنائیں اور روزانہ کچھ پڑھنے کی عادت اپنائیں تاکہ ہمارا ذہن، تیز اور روشن رہے۔

"Believe in Your Fate"

Nimra Noreen (Class four)

Eid Gah campus

Fate is like a mysterious path we walk, full of twists and turns. Some believe everything is already written, while others think we shape our own journey. Either way, embracing your fate can be powerful. It teaches patience, and trust in the bigger picture.

Life's ups and downs are part of the journey, and believing in your fate can help you navigate them with grace. So, trust the journey, stay hopeful, and see where life takes you!

"Indeed, Allah Will Not Change The Condition of a People Until They Change What is in Themselves"

Al-Qur'an 13:11

Being grateful to Allah

Iqra Asghar (Class 4)

We must be grateful to Allah for his countless blessings . Gratitude strengthen your connection with Allah .It helps to reduce stress and anxiety .

Gratitude is way of life that brings peace and blessings .

Quransays

" if you are grateful it will surely increase you(in favour)"

We must express gratefulness in our daily prayers.

The Future Lies in Your Hands

Syeda Zarish Kazmi (Grade4)

Eid gah Campus

The future is not something that just happens, it is something you create. What you learn, how you act, and the choices you make today shape tomorrow.

Being brave and believing in yourself are part of this journey. When you face challenges with courage and trust your abilities, you grow stronger with every step. Mistake s are not failures; they are lessons that help you move forward.

Students are the leaders of the future. By studying hard, being responsible, caring for others, and believing in yourself, you can build a better world. Remember, the future truly lies in your hands

Power of Believing in Yourself

(Ms. Hamna Arshad)

The power of believing in yourself is one of the most important lesson you can ever learn. Listen carefully no one can limit your potential except you. Life will test you, people may doubt you, and challenges may seem impossible, but all of this becomes small when you have faith in yourself. Believing in yourself gives you courage to try, strength to rise after failure, and determination to keep moving forward no matter what. Remember, every great achievement in history began with someone saying, "I can do this" So trust your abilities, value your journey, and never let fear or doubt control you. When you truly believe in yourself, not only will you reach your dreams, but you will also inspire everyone around you to believe in themselves.

The Power of Teacher's Belief in a Student

(Ms. Nimra Saeed)

A student's journey is rarely smooth. There are doubts, failures and when giving up seems easier than trying. In those moment's, teacher's belief becomes more than encouragement- its becomes a guiding path. Belief tells the student, "I see your potential even if you don't yet". It turns Fear into Courage, Hesitation into Efforts and Mistakes into Learning. Belief is not blind praise It is paired with guidance, patience and expectations. It teaches growth and perfection.

The greatest lessons are not always written on the board They are in the faith, a teacher places in a Student. It inspires efforts, teacher's resilience and reminds students that growth matters than grades.

In the end, a teacher's belief doesn't just educate a mind; it shapes a life.

The Power of Dreams

(Ms. Mahnoor)

Dreams are like seeds that grows into reality when we work hard with patience. They give us hope in times of failure and push us to keep moving forward. Many great achievements in history began as simple dream in someone's mind. Dreams teach us determination, courage and hope. They reminds us that no goal is too big if we keep trying. Dreams are the first step towards making our ambitions come true.

کامیابی کی کنجی

(جنت عباس جماعت ششم)

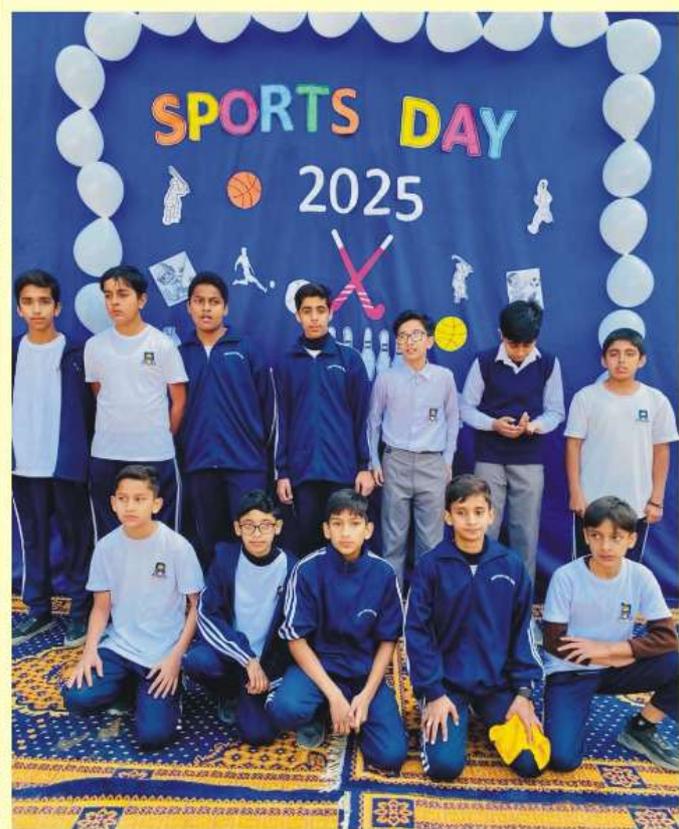

کامیابی کی کنجی صرف ایک چیز ہے۔ "محنت اور عزم" اگر آپ اپنے خوابوں کو پورا کرنے کیلئے پر عزم ہیں آپ کبھی ہمت نہیں ہارتے ہیں تو آپ یقینی طور پر کامیاب ہوں گے۔

آپ کو بس خود پر اعتماد کرنا ہے، اور ہمیشہ مثبت سوچ رکھنی ہے، آپ کو اپنے خوابوں کو پورا کرنے کے لیے محنت کرنی ہے، اور کبھی ہمت نہیں ہارنی ہے۔ اور سب سے اہم بات یہ ہے کہ آپ کو اپنے خوابوں کو پورا کرنے کے لیے عزم رہتا ہے۔ آپ کو کبھی اپنے خوابوں کو چھوڑنا نہیں چاہیے، اور ہمیشہ ہمت رکھنی چاہیے۔ اگر آپ ان باتوں پر عمل کرتے ہیں تو آپ کامیاب ہوں گے انشاء اللہ
